EDUCATOR FEEDBACK

"The workshop was great and all information presented was beneficial and it will not only assist me in helping students, but it will also help me in my everyday life as well."

"Overall, this is honestly very high-quality and useful PDP. I love that it was very hands-on even in a virtual setting and more practical than other PDP I have attended. Excellent work!"

"Thank you for all of your hard work! I have grown a great deal, personally and professionally, by participating in this PD."

"I was pleasantly surprised with the quality of this training! Definitely worth it for EPF teachers! :)"

"I learned things that I was never taught in school and look forward to passing that knowledge along."

"Overall I enjoyed the workshop and always looked forward to Thursdays. I feel a lot better about the transition to the new curriculum standards."

"In 16 years of teaching this has been one of the best, if not the BEST trainings I have attended. Not only was it useful information, but I felt our time was wisely used. Thanks!"

"I was very nervous in taking on the challenge of teaching this course but also excited in sharing life experience with students. You have given me the tools to feel confident in teaching this course and the resources to go to when needed. This has been one of the best trainings I have been to in years!"

"Great overview of the course, standards and objectives, content, teaching tips, and resources. I feel better prepared to teach the content in the future. Thanks!"

"It was a really wonderful and helpful professional development. I learned so much and I truly appreciate how many great resources were provided."

"I learned a lot. It was amazing!"

NCCEE is grateful for the support of the organizations that made this work possible.
